TOWN CLERK'S REPORT.

Eighty-four automobile permits were issued for 1921, and the total amount received as tax was \$413.11, against \$298.08 the year before.

The number of dogs reported was 99. Of these the tax has been paid on 75. Seven were reported removed, and eight as dead, leaving nine with the tax unpaid. The principal cause of this was the difficulty of finding a man to act as dog-constable for the delinquent owners, either to collect the fee according to law, or shoot the dog.

ALBERTO A. BENNETT,

Town Clerk.

TAX COLLECTOR'S REPORT.

REPORT OF SUPERINTENDENT OF SCHOOLS.

To the School Board and Citizens of Gilmanton:

I herein submit my third annual report as superintendent of schools.

During the last term we have been troubled more or less in certain schools by irregularity in attendance and too careless attitude toward punctuality. Some parents apparently are allowing too trivial excuses for absences to meet the demands of the state law. That every parent or custodian of a child may know his responsibility, I herein insert a copy of sections 1, 2, and 4, of Part III, School Laws as codified by the Session Laws of 1921, Chapter 85.

"Section 1. Every child between eight and sixteen years of age shall attend the public school to which he is assigned or an approved private school during all the time the public schools are in session unless he is more than fourteen years old and has completed the studies prescribed for the elementary schools or has been excused from attending on the ground that his physical or mental condition is such as to prevent his attendance or to make it undesirable."

"Section 2. Every person having the custody of a child shall cause the child to attend such a school during all the time the public schools are in session."

"Section 4. Any person who does not comply with the requirements of the preceding sections shall forfeit ten dollars for the first offense, and twenty dollars for every subsequent offense for the use of the district."

As these troubles more often arise when travel and communication are difficult, I recommend that three truant officers be appointed in different sections of the town in order that teachers may get in touch with them at once when necessary and action taken without too much expense to the town. Right habits are the foundations for right living and for a happy and successful life. Parents cannot be too strenuous in their efforts to inculcate in their children the importance of regularity in attendance and punctuality.

MEDICAL INSPECTION.

Results of medical inspection by Dr. N. W. MacMurphy.

Number of pupils examined,	114
Number of teachers examined,	9
Number excluded on account of communicable disease,	3
Number of cases of malnutrition,	5
Number of cases of defective vision,	31
Number of cases of nervous disease,	2
Number of cases of cardiac disease,	1
Number of cases of pediculosis,	2
Number of cases of defective teeth,	69
Number of cases of hypertrophied tonsils,	43
Number of cases of adenoids,	27
Number of cases of unvaccinated,	42
Number of cases of tonsilitis,	1

The children's parents were notified of the troubles of their children and advised to consult with their family physician. Many of the minor defects have been corrected, but to make this work most effective the service of a district nurse should be employed for follow-up work.

NEEDED ALTERATIONS.

I would recommend an appropriation for Kaustine closets to be installed at the Academy building for use only by the pupils of the school.

The use by scholars of the toilets used by the public is neither sanitary nor wholesome from a physical or moral standpoint.

At the Smith Meeting House school building the toilets are not only unsanitary but too far from the building. It is detrimental to the health of the children to expose themselves to the rainy weather in summer and the snow and cold in winter. I recommend Kaustine toilets joining or placed inside the school building. The lighting in this school building needs attention and it is especially desirable that new adjustable single seats be installed in place of the old double seats that are in exceedingly bad condition. This

would alleviate many annoyances to the teacher in maintaining discipline, render the environment of the pupils more sanitary, and prevent in a large measure contracted chests, round shoulders, curvature of spine and myopic eyes.

These improvements would assist in developing better readers, spellers, writers and clearer minds for the abstract reasoning of problems. They would create an environment that would add to the stable poise of mind and body.

SCHOOL WORK.

In all schools we are trying to place emphasis on the fundamentals—reading, spelling, writing, language oral and written and numbers. We have a good staff of teachers all of whom are doing conscientious work. We are somewhat short on reading material but are gradually increasing our supply. Especial attention has been given to writing and we have in stock Houghton's system to be distributed at the first of the spring term. Also at the beginning of spring term, Ayer's standard tests in writing and spelling will be given.

In conclusion, I wish to acknowledge the cordial co-operation of teachers, the assistance and help of the school board and the hearty support of parents and citizens.

Respectfully submitted,

FREDERICK T. JOHNSON,
Superintendent of Schools.

Town Clerk.

TOWN WARRANT.

THE STATE OF NEW HAMPSHIRE.

[L. S.]

To the Inhabitants of the Town of Gilmanton in the County of Belknap in said State, qualified to vote in Town Affairs.

You are hereby notified to meet at Odd Fellows Hall in said Gilmanton on Tuesday, the fourteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To choose two selectmen one for one year and one for three years.
4. To see if the town will vote to return to the surveyor system (Laws of 1899) in regard to the repairs of highways. (By request.)
5. To choose a Trustee of Trust Funds for the ensuing three years.
6. To see how much money the town will vote to raise to defray current charges of the town.
7. To see how much money the town will vote to raise for the repair of highways and bridges for the ensuing year.
8. To see how much money the town will vote to raise for state highway construction.
9. To see how much money the town will vote to raise for state highway maintenance.
10. To see how much money the town will vote to raise for decorating soldiers' graves.
11. To see how much money the town will vote to raise for the support of town library.

12. To see how much money the town will vote to raise for cutting bushes.

13. To see if the town will vote to go back to the old price of 25 cents per hour for highway work or establish any different price than at present. (By request.)

14. To see if the town will vote to raise a sum of money for the observance of Old Home Day. (By request.)

15. To see how much money the town will vote to raise to donate the Laconia Hospital.

16. To see if the town will vote to raise the sum of \$500, for the construction of permanent bridges of stone, cement and steel or a combination of the three.

17. To see if the town will vote to raise a sum of money for the purpose of co-operating with the state and federal governments in control of the white pine blister rust. (By request.)

Given under our hands and seal, the day of February, in the year of our Lord nineteen hundred and twenty-two.
